To whomsoever it is concerned

It is a pleasure to inform you that we are using your compressor model SEM20 for our SS NON WOVEN PLANT since last 12 years. The compressor has run for almost 59927 hours without any problem and we are quite happy with the performance of it. We are also very satisfied with the after sales service rendered by Excel Pneumatics, Ahmedabad.

Regards,

Name : Ashokbhai Patel

Designation : Production Manager
